You are welcome!

I will be putting together some talking points for when Ben and I talk to Powertech this week.

Douglas and Ben,

I am ecstatic to hear everything went well with the briefing. Thank you both again!

Ben: thanks again for your support through the briefing for Darcy this morning. It was probably the quickest briefing I have had with her which is remarkable since she often asks a lot of questions!

Do you have a preference for a day or time next week to talk to John Mays? It appears your calendar is fairly open but I wanted to double check.
